# CRETE RETREAT

JUNE 16-21 2026

# HIDDEN GEMS OF CRETE JAWHARAT AL-QALB RETREAT

وَفِي الْأَرْضِ آيَاتٌ لِّلْمُوقِنِينَ ﴿٢٠﴾ وَفِي أَنفُسِكُمْ أَفَلَا تُبْصِرُونَ

“And in the earth are signs for those of sure faith.

And in yourselves – will you not then see?”

(Qur'an 51:20-21)

Crete will not only be a place we visit. It will be a mirror. Between sea and sky, between ancient stones and olive groves, we return to the Jewel of the Heart. Six days of intentional living. Sunrise remembrance. Collective dhikr. Mindful Yoga. Walking through history with consciousness. Breathing the Mediterranean air as an act of gratitude. This retreat is about reconnecting with the sacred feminine essence Allah placed within us.

Softness.

Depth.

Presence.

Taqwa wrapped in summer light. Jawharat al-Qalb is not just an experience. It is a remembrance.

# OUR RETREAT LOCATION: A CHARMING GREEK HOUSE "THE SECRET PLACE"

# THE SECRET PLACE

We are located in Spilia, in the central part of the island, 7 km from the sea and 6 km from Heraklion. Knossos, the most important archaeological site of the Minoan civilization of Crete, is located only 4 km from the venue. This is a reason to consider “The Secret Place” not only a beautiful and quiet place to connect with nature, but also a very energetic area.

The venue offers several natural relaxation areas and a large garden overlooking the green hills and the Mediterranean Sea; a swimming pool; a "silence garden" for meditation, contemplation, reading and a fire pit.

At the garden level there is a large and bright Shala for the indoor activities we offer during the retreats. The cuisine is vegetarian and mainly organic. We do our best to compose with love and care delicious, healthy, colorful and soulful meals during your stay.

**Aya**

Every moment was lived in peace, with the intention to serve Allah by helping others, listening to my body, and bringing it into harmony with the nature around us. These were days of healing and care; I deeply appreciated the attention given to details, to the spaces, and to the activities carried out. Baraka Allahu fiki.
